Paper vs. Electronic Communication

In an effort to conserve paper we are exploring the option of communicating with parents via electronic methods - with the understanding that this is not a workable option for all parents - so we would continue to send paper communication to those parents.

Choose from the following:

_____ Please stop sending home paper newsletters/fliers from Crater Elementary, I will receive this information via email and the Crater website

_____ Continue to send home Paper Copies of all Crater newsletters and fliers

***Please note**, this is only in reference to information that is generated by the Crater office - Paper copies of CPRD, School District, etc. fliers will still be sent home with students.

PLEASE RETURN FORM TO THE CRATER OFFICE ASAP
