

February 1, 2011

Dear Fifth Grade Parent/Guardian,

Fifth grade Outdoor School is scheduled for May 11 - 13. The fundraiser that we did in the fall raised enough funds to lower the price per student. We would like to thank all of you for participating in this fundraiser to help with our Outdoor School. The remainder of the cost for Outdoor School will need to be paid for by students and chaperones.

- Student Fee for Outdoor School—\$40.00
- Chaperone Fee for Outdoor School—\$88.00

You may either pay all of the fee at one time or you may arrange to make payments. All fees need to be paid to the school by May 1, 2011.

Thank You,

The Fifth Grade Team
