Dear Parent/Guardian,

In an effort to promote pedestrian safety and student leadership at our school, Crater Elementary fourth & fifth grade students are invited to participate in the school crossing guard program. Interested fourth and fifth grade students will be trained and serve on crossing guard teams that assist in helping pedestrians cross Foothills Drive each morning or afternoon. These teams will need to arrive and be on duty by 8:00 AM in the morning, or stay until 3:25 PM each afternoon. Parents will need to provide transportation for students. While on duty, the crossing guard teams will be supervised by a Crater staff member.

We will have a Crossing Guard Training Meeting on September 18 @ 12 PM. Please indicate by signing that you give permission for your child to participate in this program. If you have any questions, please call 503-554-4651.

Thank You,

Kim Peck
Crossing Guard Coordinator

I give my child permission to participate in the Crater Crossing Guard Program . I also understand that I will need to arrange transportation for my child to participate in this opportunity.
