Dear Parents,

At Crater, parents are a vital part of the learning process.

We hope you will join us for our OPEN HOUSE on Tuesday, September 24th from 6 - 7 PM. This year we are trying something a little different than we have done in the past few years. Kindergarten through second grade students can be dropped off in the gym at 6 PM while parents of those students go to the classrooms to hear a short presentation from the teachers. Then at 6:30 you can come pick up your student from the gym and have them take you back to the classroom to show it off. I understand if you have kids in two different grade levels that you may have to choose one or the other presentation. If this is the case feel free to contact the teacher to get the information she presents at another time.

★
For 3rd - 5th grade students the classrooms will be open for you to visit but there will be no presentations. Feel free to come by anytime between 6 and 7 PM to enjoy having your student show off their classroom.

We hope you will be able to attend and look forward to seeing you.
