

Shop For Groceries AND Earn Money For Antonia Crater!!!

Crater Families:

DID YOU KNOW? Many of our local grocery stores have promotions that send money to local schools. We need your help! It takes YOU to sign up your grocery cards online with the programs listed below. Follow the prompts to link your cards to Antonia Crater. Then, shop as you normally do! You don't have to think about it again the rest of the year. Just make sure to use your grocery cards every time you shop!

Thanks for all of your support!
