

The Crater Connection

From Mr. Fisher's Desk...

Dear Parents-

In the beginning of May we took some time to acknowledge the great work of the teachers and support staff at our school. Speaking of our staff at Crater, I can tell you that the people that work with your children each day are amazing and deeply committed to providing the best education possible for the students they serve.

As I work in the office, visit classrooms, supervise and interact with students in the cafeteria and throughout the school, I see evidence of the many different ways that our staff teaches, encourages and supports our students. Our teachers, secretaries, support staff, custodians, kitchen staff and supervision staff take great pride in going the extra mile for our kids.

Even though the official "appreciation week" has ended, I encourage you and your kids to write a note or email to let our staff know how much you appreciate them.

Thank you for all of the support and encouragement you provide to our school.

Troy Fisher ~ Crater Principal

Memorial Day

Field Day/BBQ Volunteers Needed

We are looking for volunteers to help with our Year-End Barbeque and Field Day. These events will take place on Wednesday, June 11.

There will be opportunities to help set up Field Day, help with events, set up for the Family BBQ, and clean up after both events.

Because there will be so much going on that day we will probably need people to volunteer throughout the day.

- See the Family BBQ schedule for lunch times.
- Field Day volunteers will be needed from 1:00 - 3:00 PM.
