Something New

CVMS now has a student store. The student supply store is open everyday at lunch time. Students can purchase a variety of school supplies such as pencils, pens, notebooks, folders, rulers, locker accessories, as well as other items like water or mints. All items are under \$2.00 and students can also purchase items using their wolf bucks. All proceeds go to the school incentive program to pay for student activities. The CVMS Leadership class is in charge of running our store each day.

CVMS Spirit: Pink Day!

What Teachers have to say about CV students!

Mr. Brill: On his own, Taylor Palmer helped a classmate who was frustrated opening his PE lock. He also spent the time teaching that peer how to work the combination.

Mrs. Brower: The most amazing thing— Felipe Vasquez saw another student doing something responsible and took out one of his own wolf bucks and gave it to the other student! He was given another wolf buck so he could “pay it forward” again.

Mrs. Ceder: Shane Willis gives 100% everyday in class! He is always on task and positive to classmates. :-) Definitely an incredible student!!

Mrs. Holstrom: Eric Davis is a peer helper in my class. He works hard to help the students understand. Eric shows great respect for the staff and students.

Mrs. Quinby: Nathan Grannan stayed after class to help put books away neatly on the shelf without being asked. It was much appreciated!! Thank you

Mrs. Spang: Daniel Whittle is always willing to lend a helping hand to his fellow students. He helps with problem solving, clarifications and cleaning up. He does this on his own. Great support! Thank you!

Mrs. Moore: Jasmine Lyons is always willing to help other students in class. When a students computer “crashed” she let them use hers. Jasmine is always so quiet and respectful!
