Haley, Josie, and Tori enjoying the change of the season. :-)

## Here's What's Up!

### OAKS State Assessment tests

The CVMS students are now in the first round of state test assessments. The students that have tested already are doing very well. 1st round will be finished in January. Our 2nd round will start in February. Good luck to the students. You guys and girls are awesome!

### Tardies at CVMS

We have noticed a rise in unexcused tardies to first period. Please remember that your student needs to have a note from a parent or a phone call, when they are coming to school late. Sleeping in is considered an unexcused tardy and will result in a lunch detention. The following are excusable reasons for tardiness: illness, illness of immediate family member, emergency, doctor/dental appointment, death of a family member, court summons, and satisfactory arrangements, made in advance with the school.

### Band Concerts

Dec. 6, Monday, CV Beginning band Holiday concert: 7:00pm in the CV gym.

Dec. 9, Advanced Band Field Trip: Students will play for the Senior Luncheon at Newberg Christian Church and then play for the elementary students at Crater.

### Something New

As we near Thanksgiving, I want to introduce all of you to Wolf Reading. Wolf Reading is a new twenty-five minute period of Silent Sustained Reading (SSR) that will be scheduled every Wednesday. We are very excited about this opportunity that we are presenting to our students. This is a separate twenty-five minute period from our other reading classes and the ENTIRE school will be reading during this time. Teachers, secretaries, custodians, instructional assistants and administrators will participate in Wolf Reading. There is a true power with every adult serving as a role model through this process by modeling our lifelong love of reading. Jon Franco, CVMS Principal

## What Teachers have to say about CV students!

**Mrs. Ceder:** Shelby Self stayed after to help me with taking down a display and it wasn't even her job! So sweet :-)

**Mrs. Housgard:** Felipe Vazquez has a great sense of humor, but is also helpful and respectful in class. He helped during the "iron chef" contest and was a positive influence in the class.

Peter Gentile has a great attitude and does a nice job in home ec. He is polite, nice to others, helpful and is a positive role model for other students. Thanks Peter!

**Mrs. Spang:** Anni Gissel is a wonderful role model

to her peers. She is always ready to participate and help out in class. Her effort and motivation are appreciated!

**Mrs. Moore:** Jasamine Lyons is always willing to help other students in class. When a student's computer 'crashed', Jasamine let them use hers. She is quiet and respectful also. Thank you Jasamine!

**Mr. Lindell:** Avery Neilson picked up equipment when he was not asked! I appreciate the integrity displayed. Thank you Avery!
