

Newberg School District 29J
Annual Parent Notice
Right to Request Teacher Qualifications

School: Edwards Elementary School & Joan Austin Elementary School Date: _____

Dear Parent or Guardian:

Our school receives federal funds for Title I programs that are part of the *Elementary and Secondary Education Act (ESEA)* under the *No Child Left Behind Act of 2001 (NCLB)*. Throughout the school year, we will continue to provide you with important information about this law and your child's education.

Our state has been approved by the U.S. Department of Education to change certain requirements of NCLB. However, you continue to have the right to request information regarding the professional qualifications of your child's classroom teacher(s). If you request this information, the district or school will provide you with the following as soon as possible:

- a. if the teacher has met state licensing requirements for the grade level and subjects in which the teacher is providing instruction;
- b. if state licensing requirements have been waived for the teacher on a temporary basis;
- c. the type of college degree major of the teacher and the field of discipline for any graduate degree or certificate; and
- d. if your child is receiving Title I services from paraprofessionals and, if so, his/her qualifications.

If you would like to request this information, please contact your child's school.

Our state has adopted a new system for evaluating teachers and principals which is described briefly below:

Thank you for your interest and involvement in your child's education.

Sincerely,

Kathie Carey
