

## FROM THE PRINCIPAL

Dear Parents and Community Members,

Dundee Elementary School received an overall state rating of Level 4 on a five-level scale. This means our students in grades 3-5 performed above average on standards-based assessments last year in reading and math.

Our teachers support our students in a variety of strategies so that a significant percentage of students met or exceeded the standards in reading and math:

- 84% met/exceeded state standards for reading
- 77% met/exceeded state standards for math

The Dundee Elementary Staff is committed to creating a brilliant Dundee Community. We believe in:

- Strong parent partnerships
- Collaborating with our community
- Teaching students to think critically
- Teaching with rigor and relevance
- Teaching students to access and utilize technology
- Providing a safe, respectful and responsible environment for all.

We encourage parents to be as active as possible in your child's education by supporting them with their homework, attending parent-teacher conferences, volunteering at school and being a visible presence in your child's educational life.

Thank you,

Principal | Lesley Carsley
