FROM THE PRINCIPAL

Dear Parents and Community Members,

Our annual Oregon School Report Card shares results from the Smarter Balanced assessment our students took last spring. This test asks students to explain their reasoning, demonstrate critical thinking, writing and problem solving. The results provide an accurate indicator of where students are on their path to future success in college or the workplace. The results of the Smarter Balanced assessments – plus student’s work in the classroom – help students, teachers and parents understand more about their strengths and areas for improvement.

Joan Austin Elementary students performed above the state average on the standards-based assessments in reading and math and continued to score significantly above the state average in science. We continue to be committed to strengthening writing instruction and incorporating writing across all curriculum areas.

Academic highlights:

- 64% scored a 3 or 4 in reading compared to the state average of 52%
- 50% scored a 3 or 4 in math compared to the state average of 45%
- 86% met/exceeded in science compared to the state average of 67%

Strong partnerships with parents are the key to student success. We appreciate that you help your student by monitoring homework, reading together daily, and practicing math facts. We invite parents to become involved as classroom volunteers and become active in our PTO. We look forward to working with you and your student.

Thank you,

Principal | Terry McElligott

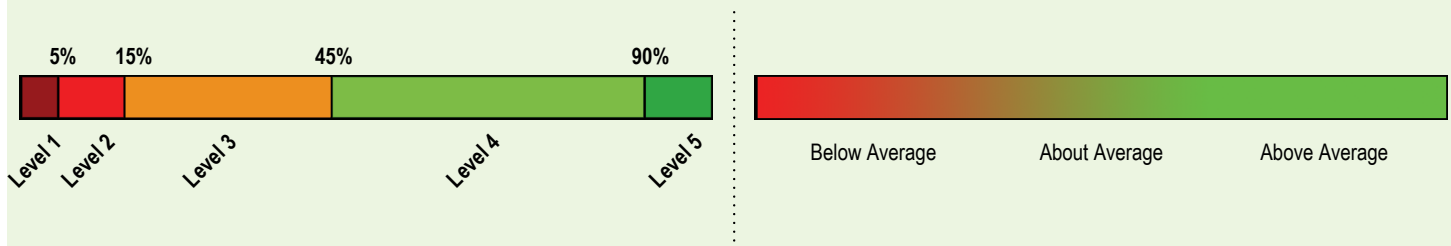

SCHOOL PROFILE			STUDENTS

Percent of students without all required vaccines: 6			(This value includes students with medical exemptions, nonmedical exemptions, no immunization records, or up-to-date but incomplete immunization records.)		

* , <5, and >95 are displayed when data are unavailable or to protect student confidentiality.

*** indicates that this school offered lunch at no charge to all students.

OVERALL SCHOOL RATING

Given the recent passage of the Every Student Succeeds Act (ESSA) and the expiration of Oregon's ESEA flexibility waiver on August 1, 2016, the State of Oregon will not assign ratings (i.e., overall and comparison school ratings) to schools for the 2015-16 school year.
