

My name is Sara Price and I am the School Counselor at Dundee Elementary. I am incredibly honored to begin my career alongside such dedicated educators. I am an Oregon State Alum, as well as a George Fox Alum, where I received my MA in School Counseling (April, 2016).

As an elementary school counselor, I work with all students and strive to support them in becoming successful citizens and lifelong learners. I teach guidance lessons in order to help students learn skills in problem solving, communication, feelings management, friendship skills and making healthy choices. I collaborate regularly with staff to support students academically as well as emotionally.

I also deliver responsive services through individual and small group counseling. My goal is to support and advocate for all students so as to promote to the highest level of achievement academically, emotionally, and socially.

Please feel free to contact me with any needs, questions or concerns you might have.
