June 2012

The summer night is like a perfection of thought

Mrs. Crueger's Corner

Dear Dundee Families,

Where does the time go? I find myself asking that question again and again. This is one of those years where time has passed much too quickly. As we reflect on this year, students have grown in so many ways-physically, socially, and academically. It has been another great school year!

During this last week, many classes will be celebrating with end of the year parties and special events. Please take notice of the "Important Dates to Remember" that are happening this week. Also remember that June 15th is a half day with students dismissing at 12:00, please plan accordingly.

As you plan your time this summer, please keep reading part of your regular routine. Visit the Newberg Public Library's website and sign-up for their Summer Reading Program June 6—August 29, 2012 Time spent reading helps reinforce and maintain the important skills student's have learned this year.

I also want to thank our parents for your cooperation and support this school year. Your child's success is due to the partnership of home and school working together.

Enjoy your summer break!

Mrs. Crueger
