

YCAP is pleased to offer eligible Edwards Elementary School families the free "Friday Family Food Program" which provides healthy foods for a weekend meal. This is made possible by a partnership between YCAP Yamhill Regional Food Bank, United Way and local community support. YCAP understands hunger, nutrition, and healthy eating are directly connected to children's ability to learn and have success in the classroom.

Each week, participating children and/or parents may pick up a bag of food stocked with a balanced, nutritious meal for a family of four. Families with 5 or more members may receive two bags to ensure enough food for everyone residing in the home. Food bags will be available at the end of the school day on Fridays at the designated locations. Please return the empty bag on Monday so that it can be refilled for the following weekend.

If interested in participating, please read the statement, sign it and return the lower portion to the school office. Participation with the program is based on:

- TANF or SNAP enrollment or
- Household income at/or below listed income levels or
- Referred to the program by Edwards staff
- Participation in the program is confidential.
