

ESCAPE PLANNING CONTEST

Now's your chance to incorporate a fun fire safety lesson into your family's remote learning activities. TVF&R challenges your children in first through eighth grades to help you develop a Home Fire Escape Plan.

Practice your plan with your family and record a fun and informative video of what you did and how you did it. Be creative and your family could be treated to a pizza dinner and a remote celebration via Zoom!

CREATE A HOME FIRE ESCAPE PLAN & VIDEO

YOUR MISSION

Your plan must include:

- The general layout of your home (show doors and windows).
- Two escape routes from each sleeping area.
- Location of smoke alarms in your home.
- A safe family meeting place (outside your home).

Your video submission:

- Create a short, fun, and informative video that shares your Home Fire Escape Plan and how you practice it with your family.
