

## Do Your Ears Hang Low?

### 1. Do your ears hang low?

Do they wobble to and fro?

Can you tie them in a knot?

Can you tie them in a bow?

Can you throw them over your

shoulder like a Continental Soldier?

Do your ears hang low?

### 2. Do your ears stand high?

Do they reach up to the sky?

Do they droop when they get wet?

Do they stiffen when they dry?

Can you use them just to climb

or to swing from like a vine?

Do your ears stand high?

### 3. Do your ears hang wide?

Do they flap from side to side?

Are they waving in the breeze  
from the slightest little sneeze?

Can they soar above the nation  
with a bit of inspiration?

Do your ears hang wide?

### 4. Do your ears fall off

when you give a little cough?

Do they lie there on the ground,  
or go bounce at every sound?

Can you stick them in your pocket  
just like big old Davy Crockett?

Do your ears fall off?
