

The Lion's Roarrrrr

A monthly newsletter from Mabel Rush Elementary

March, 2016 Issue 7

Dear Mabel Rush Parents,

Our 5th grade students will soon be looking at the new opportunities they'll enjoy in middle school next year. MVMS staff will be visiting our school this month to talk with students about AVID opportunities and electives. MVMS is also hosting a Welcome Wildcats Parent Night at MVMS on March 7th at 6 pm.

Our teachers have worked hard all year to provide exceptional instruction to our students!

Starting in April, our students in grades 3-5 will take the Smarter Balanced Math and English Language Arts assessments. These summative assessments consist of two parts: a computer adaptive test and a performance task. Parents can access more information about these assessments using the following website:<http://www.smarterbalanced.org/parents-students/>. Classroom teachers will communicate to parents their children's test dates in April and May.

Balance is important in life and in school. We want to see our students give their best effort with encouragement but not undo stress. Our teachers have worked hard all year to provide exceptional instruction to our students! Mabel Rush students will do just fine as we continue to work towards higher and more challenging state standards in education.

Have a wonderful Spring Break!
Lisa Callahan, Principal
