A Day of School And More

On September 6 alarm clocks will be ringing at hours your kids won't want to recognize and Mtn. View will be ready and waiting!

School hours from the first through last day of school are 7:45 am to 2:20 pm with warning bells ringing at 7:40 am. There is an exception...Wednesdays in the Newberg School District are called Late Start Wednesdays. School hours are 8:45 am to 2:20 pm with the warning bell ringing at 8:40 am.

Students may enter the building through the Commons door at 7:15 am (8:15 am on Wednesdays – if you need to drop off your student prior to 8:15 am, a study hall is provided beginning at 7:15 am).

The office is open Monday through Friday from 7:00 am to 4:00 pm.

MVMS has three ½ hour **lunch times**. The first third of the year 6th graders are served first lunch, 8th graders second lunch and 7th graders third lunch. The schedule rotates so that all grades experience 1st, 2nd and 3rd lunch times.

Now on the first day of school things are a bit different...

*6th graders report to the main entrance where they will be personally greeted and escorted directly to their first period teacher.

*7th and 8th graders will assemble in the Gym and Commons area where a list with their first period teacher will be posted on the walls.

During first period, students will receive their schedules and locker information. The first day has time set aside to orient students to their new schedules, classroom locations, lockers, and school operation procedures.

If you are aware of any new middle school students in the MVMS boundary, please pass onto their parents that new student registration begins on August 22 from 7:30 am - 3:00 pm. It is very helpful if they have the name and address of their previous school and current immunization records. Students will be given a math test during this time.

September 9 – Picture Day

Picture packets will be sent home the first day of school. All students will have their picture taken, at no charge, for their Student ID card and Mtn. View's Yearbook.

We all know that occasionally things get lost! If during the school year your student loses their student ID, a replacement can be purchased in the main office for \$3.

September 12 kicks off our annual magazine drive

Funds raised during this event pay for items such as: incentives, incentive trips, teacher/classroom requests, etc. The funds are then spent with guidance and approval of parents during a Mtn. View Parent Group meeting. We very much appreciate participation and support of this fundraiser, but we do not require or pressure student involvement. We would like to stress that students should not make door-to-door sales. We encourage parent/guardian participation to work with students if they choose to be involved.

June 15 is our 8th Grade Celebration

which begins at 8:15 am. Students should arrive at school at the normal time as they will be given their 8th Grade Celebration T-shirts prior to this event. The shirts cost \$10 and can be paid for during the 7th & 8th Grade Ice Cream Social on August 31 or prior to March 1.

Family members are invited to this event. Parking is available in the MVMS lot, NHS Tennis Court lot or on the street.

They're Back! (continued)

These evenings will take the place of Back to School Night and we strongly encourage you to bring your student with you.. We ask that all students be accompanied by an adult.

If you have a 6th grader and a 7th or 8th grader, we encourage you to attend the August 31 event. Schedules and locker assignments will not be available for 7th and 8th graders prior to the August 31 event.

The first step during this event is to turn in your completed Annual Student Review Form and receive a "passport" that will guide you through various stations in our Gym. Be sure to get a stamp showing you've visited these areas!

Fees - Fees can be paid via cash or check made out to MVMS.

Fees to pay that night:

*PE Uniform (required for 6th Graders and any 7th and 8th Graders in need of a new uniform) - \$15

*PE Sweats (optional) - \$23 Set; sweat pants \$12; sweatshirt \$11

*Yearbook (optional) - \$20

7th & 8th Graders may have the following fees as well as the fees listed above:

*Home Arts/Science Discovery (if you are enrolled in the class) - \$15

*8th Grade Celebration T-shirt (required) - \$10

***PE Uniforms** are shorts and a shirt. PE Uniforms are mandatory at both Newberg middle schools and the high school. All three schools have the same uniform, which will enable you to use it for many years! After you've paid for the PE Uniform, stop by the PE Station to pick it up and you'll be ready for school!

PE Sweats - If your student decides to wear sweats, these are the ones they'll need to wear. Pay for them at the Fee Station and place an order at the PE Station.

***Yearbook** - Purchase your yearbook now and don't worry about it later.

Yearbooks are distributed the second to last day of school.

***8th Grade Celebration**

T-shirts - All 8th Graders who plan to attend the 8th Grade Celebration on the last day of school, will be wearing these awesome shirts...pay now or you can pay by March 1.

Edline - Pick up an Edline code and you'll have online access in a moments notice to your student's grades or missing work.

Absent from school? Homework is posted on Edline as well!

E-School News - MVMS sends out weekly news via email. This email will share with you what's happened during the week, future events, a calendar and emergency notifications. If you sign up for MVMS E-school News, you'll receive news from the District as well. **This is our main form of communication.**

Lunch Money (pay with separate check) Stop in the Commons to deposit lunch money in your child's account and they'll be ready for the first day. This year's middle school prices are: \$1.50 for breakfast and \$2.75 for lunch. If you are applying for free and reduced lunches, please remember an application must be completed every year. You can also put lunch money on your student's account via the internet at myschoolbucks.com

School Supplies - There will be places to drop off computer paper, glue sticks and tissue. Students may bring their school supplies and leave them in their locker.

Schedule and Locker Assignment - This last station is where your student will receive their schedule and locker assignment. Walk through their schedule with them, meet their teachers and practice opening their locker! If your student desires to personalize the inside of their locker, only magnets or reusable adhesive products are to be used. Please do not use any type of tape or attach stickers as they cause

Spirit Wear - New this year! Orders will be taken during these events.

Bus Barn - find out what bus your student will ride (if any) as well as pick up and drop off times. If your student rides the bus, the bus they ride will be for middle and high school students only. The bus arrives much earlier in the morning as well as getting home earlier in the afternoon. Some routes require students to get on the bus at the high school... they may ride a transfer bus from MVMS to the high school or remain in our gym after school until 2:33 pm. Students opting to remain in the gym will be escorted to the high school to catch their bus. You may be asking why these students are asked to remain in our gym. The release time for the high school is 2:35 pm; this allows our students enough time to walk to the high school without interrupting high school classes.

Mt. View Parent Group - The parent group meets the second Tuesday of every month at 1 pm.

There are a variety of volunteer opportunities at Mt. View and these folks have the information. We truly appreciate you and your volunteer time!

Check out these upcoming opportunities:

August

30 – MV 6th Grade Orientation/BBQ 5-8 pm

31 – MV 7th & 8th Grade Ice Cream Social 5-8 pm

Approximately 10-12 volunteers needed for each of the above events

September

6 – First day of School - 6-8 volunteers needed

10 – MV Picture Day - 3 volunteers needed

Magazine Drive which kicks off on the September 12.

Volunteer Badge - You've signed up to volunteer at MVMS...do you have a Volunteer badge? If the answer is no, a stop at this station will allow you to get your picture taken for the badge and complete the Criminal History form. Pick up your badge at the end of September in the MVMS Office.

CPRD - Learn about sports and other class offerings.

Medication

If your student has a medical issue that we need to be aware of, please come prepared to complete a health alert. We'll need to know the doctor's name, the type of medical issue, what type of medication your student is on, how often to give the medication, how you want us to respond if there is an occurrence, etc.

If your student is going to need any kind of medication at school, you must complete a form in the office (beginning August 23) and bring in the medication (State law mandates that we can not accept medication brought in by students). This includes prescriptions and over-the-counter medicines (such as head ache medication). We prefer smaller bottles whenever possible. Cough drops are the only medication that a student can carry.

Unused medications will only be returned to the parent at the end of the school year. Any unclaimed medications will be discarded a week after school is out for the summer.
