

Dear Students and Parents,

Your student has enrolled in an Advanced Placement art class. As with many AP classes, AP Studio Art has summer homework. Completion of this homework will put you on the right path to successfully completing the AP Studio Art online portfolios.

For more information, please visit the AP Website:

I look forward to a very productive year in the art room. You can expect to develop new visual skills this year. I am committed to the growth of each student and will work with you to maximize this process. Please do not hesitate to contact me with questions or ideas that will benefit the students in my program.

I have included summer art enrichment activities, which will help you get warmed up for AP, (and possibly a little bit ahead) but are not for a grade.

Thank You,

Stashia Cabral
