## REQUEST FOR DONATION OR PROJECT

### NHS Greenhouse Policy

Our policy is to give back to organizations and groups in our community as long as it is in-line with our program mission and we have the available resources. The mission statement of the NHS Greenhouse is to create and sustain a self-supporting program that provides multiple learning opportunities for students including:

- Building student awareness of future professional opportunities
- Building life, business and horticulture skills
- Engaging in the Newberg community
- Providing mentorship opportunities for students
