At Newberg HS we strive to balance student enrollment between small schools and ensure that each small school student body is reflective of the Newberg/Dundee community. Incoming 8th grade students may request a preference of the small school in which they would like to enroll. Actual enrollment will be based upon numerous factors, including preference. No imbalance or overcrowding will result from preference requests. Preference will be considered based upon the following criteria:

- Enrollment of siblings
- How this request will further the student's academic plan or goals

REASON FOR PREFERENCE (Please identify siblings if addressing this criterion):
