

2022-23
MEDIC FIRST AID/CPR CLASSES
District Office

This year we will be using a blended format to teach Medic 1st Aid/CPR class for adult, child and infant. This class will be offered to all district employees. Some positions require a current Medic 1st Aid/CPR certification. If you are not sure if your job requires this certification or if it has expired, please contact Ellen Lowe in Human Resources at 503-554-5030.

Step 1. Sign up – Contact Ellen Lowe at lowee@newberg.k12.or.us or 503-554-5030 to receive a link to the google sign up sheet

Step 2. Watch videos at home from the link that will be sent to you

Step 3. Come to the DO at the time and date you signed up to practice and receive your certification.

You will receive an email with a link to the videos about 2 weeks before your practice/certification day. You will watch the videos at home. Next, you will then come into our socially distant, well sanitized classroom and practice your skills. You will also have a chance to practice with the AED. After you attend the in-person portion you will receive a digital copy of your CPR card in an email. If you need a paper copy of your card the cost is \$5.00 and MUST be paid before we send you the link.
